This matter is before the Court to consider the Report and Recommendation (“R&R”) of the United States Magistrate Judge [Doc. 11]. In the R&R, the magistrate judge recommends that Plaintiff’s Application to Proceed In Forma Pauperis [Doc. 4] be denied and that Plaintiff be given 21 days to pay the \$350.00 filing fee [Doc. 11, pg. 2]. The R&R further recommends that the case be dismissed without prejudice if Plaintiff fails to pay the fee in that time [*Id.*]. The parties did not file objections to the R&R.¹ See Fed.R.Civ.P. 72(b).

SO ORDERED:
